## Item 7.01 Regulation FD Disclosure.

On November 29, 2023, Movano Inc. (the “Company”) issued a press release providing a strategic business update. A copy of the press release is attached to this report as Exhibit 99.1.

The information furnished under Item 7.01, including the exhibit related thereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any disclosure document of the Company, except as shall be expressly set forth by specific reference in such document.

## Item 8.01 Other Events.

In the press release, the Company addressed the following strategic updates:

- ? With the successful launch of the Evie Ring and the continued plans to grow the customer base, the Company is simultaneously focusing on the next phase of advancements for future offerings, including pivotal trials crucial for validating its proprietary and patented cuffless blood pressure and non-invasive glucose monitoring technology.
- ? These initiatives are critical elements of the Company’s product pipeline and future growth and are expected to be less resource intensive than the scale-up to the Evie Ring production and launch. As a result, the Company expects its cash burn rate to reduce by about 40% in 2024.

## Forward-Looking Statements

This current report on Form 8-K contains forward-looking statements concerning our expectations, anticipations, intentions, beliefs, or strategies regarding the future. These forward-looking statements are based on assumptions that we have made as of the date hereof and are subject to known and unknown risks and uncertainties that could cause actual results, conditions, and events to differ materially from those anticipated. Therefore, you should not place undue reliance on forward-looking statements. Examples of forward-looking statements include, among others, statements we make regarding planned cost-cutting initiatives; anticipated FDA clearance for the Evie Ring, expected future operating results; product development and features, product releases, clinical trial, and regulatory initiatives; our strategies, positioning and expectations for future events or performance. Important factors that could cause actual results to differ materially from those in the forward-looking statements are set forth in our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q, and in our other reports filed with the Securities and Exchange Commission, including under the caption “Risk Factors.” Any forward-looking statement in this release speaks only as of the date of this release. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
